

## SHELTER IN PLACE SUPPLY KIT

The following is a list of supplies that should be in the home:

- Canned goods and non-perishable foods that do not need cooking. Examples: canned fruits and vegetables, soups, puddings, bread, cookies, crackers, peanut butter and jelly
- Manual can opener
- Bottled water – 1 gallon per person/day
- Prescription medication (1-week supply)
- Pet food/supplies if needed
- Disposable plates, cups and utensils
- Adult care items – disposable diapers, depends, wipes
- First aid supplies
- Masking and/or duct tape
- Flashlight with extra batteries
- Battery operated radio with batteries
- Ice chest
- Bag of ice
- Matches or lighter and candles
- Plastic trash bags
- Personal hygiene items

Please inventory the house and buy what is missing. Also please fill up your car/client's car with gas.

Thanks!
